## Red Cross Roll Call

Washington, Nov. 10.—President Harding issued the following proclamation in connection with the Annual Roll Call of the American Red Cross which opens tomorrow, Armistice Day:

To The American People;

The assurance, based on many years' experience, that there will be prompt and generous response, makes it always a satisfaction to direct public attention to the annual Membership Roll Call of the American Red Cross. This year it will open on Armistice Day, Nov. 11, and close on Thanksgiving Day, November 20. As President of the United States and President of the American Red Cross, I hereby proclaim Nov. 12, as Red Cross Sunday, and invite all the people to unite with their spiritual leaders in such observance of it as may promote a renewed consecration to the gospel of service based upon divine injunction and sanction by all good conscience.

By the term of the Congressional Charter which called it into being, the American Red Cross is charged with clearly defined duties and obligations. These it has continued, during the past year, to discharge faithfully and efficiently. There are peculiarly urgent reasons to appeal, this year, in behalf of an even greater generosity than has been necessary in some other timer, because of the extraordinary demands upon such services of mercy and humanity. One of the most fearful disasters of all history has befallen the ill-fated Near Eastern area, where the lives of millions of unfortunate people even now depend, and must continue for a long time to depend, on the life-time liberality of more favored communities. A very great sum is required to be raised if the emergency shall be met; and while the task is one to which all well-disposed peoples must contribute, our own country in virtue alike of its inspirations of humanity and its fortunate endowment in material possessions, must be conspicuous for both the great share it will give, and the high spirit animating the gift. It is therefore asked that cooperation be established between the Red Cross, the Near East Relief, and all other agencies which are concerned to assist in dealing with this crisis.

In the interest of our common humanity and of the service which we owe to our fellow men I invite my fellow citizens to renew their allegiance to the American Red Cross during the period of the Membership Roll Call.

Warren G. Harding

The Frisco pulled into No. 30 St. Louis to Memphis, did not arrive here at 3:35 this morning, and not until noon.

The train was held up by Jack Kennedy and "Doe" Logan, said to be reputed train robbers, who were both killed in this their daring deed.

When the train arrived here noon Conductor Phillips told the Missourian that he knew what was going to happen when he left St. Louis. He and his crew obeyed the orders of the bandits when they were confronted with guns, and stopped the train at Whittenburg where they were met by nine Frisco detectives, according to well laid plans, the bandits were killed and the mail restored to the looted train.

By order of the Board of Education of the Marble Hill public school, notice is hereby given that all children of said district who will not have attained the age of six years by January 1, 1923, will be excluded from school his present term.

## BETTER ENGLISH WEEK

Mayfield College is this week observing Better English Week. A number of methods have been adopted to bring to the attention of the students, the most common avoidable errors.

An extensive program has been arranged, which is judged unique in the Press.

Each student has been tagged with an "I speak correct English" tag.

When a student is detected using "bad English" by another student he must surrender his tag to the student detecting the error.

Good English Week is not an affair and is observed by most high schools and Colleges of this country.

## DESTITUTED JESUIT PRIEST

Bethel Station—An old Jesuit priest, and the Rev. Fr. D. J. O'Farrell whose name was mentioned together, warning the young Rev. Quin Lough, the director of the novitiate of the Station, to stop spending money in the way of luxuries.

The young lad is the object of much suspicion with the older boys, notwithstanding watching the game, and Quin turned up in the play-ground last Saturday, the following morning, not observing the others. Think he is such a friendless dimwit as to be gullible enough to go along with them. Quin left a month ago, but is still in the country.
